Re: United States v. Elwood S. Knight, et al
Civil Action No. 04-330

Dear Judge Jordan:

This is to inform the Court that the United States anticipates sending a letter accepting defendants' offer tomorrow. The settlement requires defendants to make a payment within 90 days from tomorrow. The United States respectfully requests that the Court maintain the case open for 91 days. At the end of the 91 days, the defendants will have either made the requisite payment to the United States or the United States will have filed a Consent Judgment to be executed by the Court due to the defendants' breach of the settlement agreement.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Beatriz T. Saiz".
